**milana::** is a urban cycling brand founded with the aim to provide urban riders comfortable and sustainable clothing and accessories.

**milana::**是一个都市骑行品牌，旨在为都市其行者提供舒适而环保的服装和配饰。

The milana:: t-shirt pockets are made with reclaimed, left-over bits and pieces of cloths and buttons from clothing factories in Madrid, giving them a "fashionable" new life.

milana::T恤背后大兜的面料是由从马德里的一些服装场搜集而来的边角料和剩余扣子而制成，让它们“重获新生”。

***milana ::***

Each t-shirt is quasi unique as the colors and patterns rarely repeat. Recycle while you cycle. With the huge back pockets, you can carry home keys, mobile phones, wallets, books, bananas so on and so forth. This will save you from carrying backpacks on your back and leaving a big sweat mark.

每件衣服都几乎是独一无二的，因为搭配的颜色和图案基本没有重复。让骑行更加环保和时尚。衣服的大兜里可以放家门钥匙，手机钱包，书本，香蕉等等。把自己从斜挎包和双肩背的束缚中解脱出来，也避免后背出现大片汗湿的尴尬情况。

The making-of of milana::

milana:: is “made” in Spain. And in Spanish “madre” means mother.

So we say “ madre in Spain” because the factory is in Madrid and David’s mother makes milana:: in her clothing workshop.

In the beginning, she made one or two t-shirts per year just for David to where on his bicycle trips.

And as we all know, when your mother prepares something for you, she makes it with love, which is the most important “secret ingredient” for milana::

Back pockets are milana::'s signature identity. Useful to carry home keys, wallets, mobiles phones or anything you need in your urban cycling transportation.

Two reflective stripes are added to ensure your safety. All our t-shirts are different with mix and match of leftover cloths, buttons and threads. So your milana:: is unique and one of a kind.

背后的大兜是milana::的特别设计。非常实用，可以放家门钥匙，钱包，手机或者在都市骑行中任何需要带着的东西。

两条反光带也提高了夜间骑行的安全系数。所有的T恤都是由剩余边角布料、扣子和线头随机搭配而制成。这样你的milana::很特别且独一无二。
